

Perth Training Invitation

Hinco Instruments Pty Ltd

Training Workshop

Datataker and Hinco Instruments would like to invite you and your colleagues to a dataTaker Training Workshop.

The Workshop will focus on data acquisition and data logging, guidelines for optimising data acquisition systems and demonstrations. Participants will also have an opportunity to ask questions and take part in practical sessions.

All sessions allow for discussion of user specific application issues.

Who should attend?

- Users wanting to understand the fundamentals of data acquisition and data logging
- Users wanting to optimise their dataTaker data logger
- Employees responsible for data acquisition and data logging equipment
- Potential users of dataTaker data logger

**Closing Registration
Date 25th September 2009**

Date: 6th, 7th & 8th October 2009

Time: 8:30am - (9:00am start) to 5:00pm

Venue: Biolab

121 Beringarra Dve
Malaga WA

(Dates and location may be subject to change)

Cost

The cost per person is \$550 one day, \$750 two days or \$890 three days. (All prices includes GST)

Please note that this also includes:

- Morning tea, lunch and afternoon tea
- Comprehensive Course Notes
- Free Software & opportunity to purchase discounted software

Registration

Please complete the booking form with payment details and return it to Datataker. Bookings are essential, as Datataker workshops frequently fill to capacity.

A requirement for attending the training workshop is a good understanding of working with files in Windows based operating systems and a knowledge of Microsoft Excel.
